

Samudra Spa

at Kelapa Retreat

"Samudra means 'ocean' in Indonesian, an apt name for our deluxe spa situated at the ocean's edge.

Designed to ensure both privacy and a connection to the ocean's elements, the soothing lull of the waves serves as the perfect backdrop to your customized massages and treatments."

All price includes a 21% tax and service charge

Samudra Signature Massage

Our treatment begins with a small Balinese ritual, using natural salts from West Bali's coast to relax and rejuvenate you. Step into ancient Balinese traditions with our signature massage—a blend of Lomi-Lomi and Swedish techniques. Our skilled therapists ease tired muscles, releasing tension and leaving you deeply relaxed and renewed

Atma Saira Massage

Atma” means soul, and “Sarira” means body—together, they capture the essence of a traditional Balinese treatment from West Bali. Your journey starts with a Balinese Purification ritual using a green coconut as a symbol of purity. Inspired by Ayurveda, "Atma Sarira" is more than a spa treatment; it brings harmony to body, mind, and soul

SPECIAL ACUPRESSURE HEALING TREATMENT

One Day in Advance!

We are happy to announce that Heni Healing Hands has joined our spa's massage and therapy team

Heni Healing Hands is owned and operated by Nugraheni Kusuma Sari, originally from East Java, Indonesia. Heni is a gifted healer who first became aware of her healing abilities after recovering from a childhood accident. Over many years, she has honed her skills, utilizing acupressure therapy to enhance and focus her healing power.

She combines her natural healing gift with acupressure techniques developed over 18 years of practical experience. In 2010, she completed a Certified Acupressure course at Sehat Harmoni Indonesia and decided to pursue a full-time career as a therapist and healer in 2018.

If you are suffering from chronic or acute pain, whether recent or long-standing, that hasn't responded to conventional treatment, give her a try—she may be able to help.
